Please have this information ahead of time:

Basic Information about any family members	Medical Information about any family members
• Full legal name of family members • Dates of birth • Social Security Numbers • Heights and Weights	• Medical Condition Names • Treatment Dates • Medications and Dosages • Names and phone numbers of primary care physicians

Do I need to update my account if nothing has changed?

Yes. Your broker and the carriers need to know that you've verified all of your data is complete and correct.

Will I be asked medical questions?

In a number of Employer Plan options, or in companies of a certain size, the collection or confirmation of your current medical information is a required part of the application and enrollment process.

Will this take long?

No. If you don't have many changes to make, updating your FormFire account shouldn't take more than five or ten minutes.

What if I forgot my password?

If you do not remember your password please reset it by following the instructions on the login page.
